**The New Orleans Exposition.**  
NEW ORLEANS, May 3.—At a meeting of merchants and others it was decided to hold the New Orleans exposition upon absolutely free grounds. The committee will exhibit the exhibit of the various government departments here. A committee was named to visit the president and secure orders to that effect. The sum needed to the exposition open is \$270,000.

**Strike on the Denver & Rio Grande.**  
DENVER, Colo., May 3.—The stoppage on the Denver & Rio Grande road from between Utah and branches, struck Monday. The men demand the discharge of two men whom the company declines to discharge. Business is at a standstill, and shipments closed. Passenger trains are running.

**Facts for Tourists and Emigrants**

Whether for tourist, bent on pleasures or business, or the emigrant seeking a far western home, Hostetter's stomach Bitters is the best protector against the unfavorable influences of climatic change. It is the most reliable medicine in general use he can possibly carry with him. It nullifies the effect of sudden changes of temperature, braces the system, conquers the enfeebling nature of a nervous headache, prevents injurious consequences from a change of diet or using bad food or water, is a fine substitute of physical energy diminished by the fatigue of traveling, and tends to counteract the effects of exposure to rough weather. It is much and successfully used by mariners and others whose out door life and arduous travels expose them unusually. If, however, of great service in the prevention and cure of disorder of the stomach, liver, bowels and a general tonic.

BRICKLAYS.

—Fine warm shower this morning.

—One tramp—three days on bread and water.

—Janesville City Lodge No. 90, I. O. O. F., occupy Odd Fellows hall this evening.

—Oriental Lodge No. 22, Knights of Pythias, assemble in Castle hall this evening.

—Smith, the original dunder on rollers at the rink Wednesday and Thursday evenings.

—Mrs. Silas Sawyer went to Chicago this morning, where she will remain about a week.

—Western Star lodge No. 14, A. F. and A. M., regular communication this evening—Masonic hall.

—Miss Mary Ward, the champion lady skater, of Chicago, will appear at the rink Saturday evening, May 9th.

—The prohibition club meets in regular monthly session at the Y. M. C. A. room to-morrow (Wednesday) night.

—The park committee will have three hundred and fifty dollars to expend in park improvements this spring and summer.

—Don't fail to see the acknowledged king of the skat world, at the Rink, Wednesday and Thursday evenings, this week.

—The premier roller skater of the world Mr. A. F. Smith at the rink, Wednesday and Thursday evenings, May 6th and 7th.

—Mr. and Mrs. Charles Dutton entertained a company of friends very pleasantly at their home on Madison street, last evening.

—Mrs. H. S. Couger, and her daughter, Miss Lucy Couger, have returned from the south, where they spent the past winter.

—The Mirror of American Sports, Chicago, says Mr. A. F. Smith gives for the finest exhibition of roller skating ever seen in Chicago.

—Captain Isaac Miles drove his horse and light covered buggy over the Milwaukee street bridge this morning, being the first to cross on the new pavement with a vehicle.

—Our morning contemporary has taken a position astride a fence on the street commissioner's embroglio, and we will leave him there until he makes up his mind which posture he will take.

—Mayor Winans has issued a call for a meeting of the Board of Health this evening at the common council chamber, and requests the city physicians to be present for consultation.

—Mayor Winans takes hold of the municipal government as though he meant business, and with the determination of running the city government in the interests of the people—to which all say amen.

—Colonel Ingersoll will deliver his lecture "Which Way" at the Riverside rink on Friday evening next. There are many choice seats yet for solo and those who desire to hear the most vigorous orator of the day, should not fail to secure a good seat.

—The removal of a large safe from Carpenter & McGowan's law office, second story, Leppin's block, by means of ropes and tackle block to-day, caused many people to halt at the corner of Main and Milwaukee streets, to see how heavy bodies are moved.

—Charley Hilt was before the municipal court this morning charged with burglary. On the morning of May 4th, Charley entered the saloon of Mr. Ryan with the intent to commit larceny, taking some pennies and a couple of bottles of whiskey—he waived examination and his trial was set for May 12th. Committed. Charley was captured yesterday by Marshal Hogan.

—City Clerk Charles E. Church and Mr. H. Buchholz, of Eau Claire this evening attended the session of the grand lodge of A. O. U. W., which convenes in that city to-morrow, the gentlemen representing Olive Branch lodge of this city. They will return home on Thursday evening.

—Messrs. Brown & Frieled, of Buffalo, New York, will open in a few days at the Myers house corner, a first class clothing and gents' furnishing goods of their own manufacture. The house will be known as the Manufacturers Branch, and will be under the management of Mr. Lou Brown.

—Mr. Will De Lancy, of this city, will visit Beloit, Saturday, to contest with Mr. Fred Webb, of Beloit, for the championship of Rock county, in a two-mile race. The contest will occur at the Belle rink, and will undoubtedly be of sufficient interest to bring out a good attendance.

—The wooden awnings on North Main street are to be taken down. While we approve of the scheme, we think in some instances the removal of the awnings does not improve the looks of the buildings to any alarming extent, for instance, we refer to the building just north of the Methodist church—the removal of awnings from such buildings, almost demands a new front.

Never Give Up.

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by F. Steiner and Co.

The Weather.

At seven o'clock this morning the thermometer indicated 55 degrees above zero. Rain, with south wind. At one o'clock p. m. the register was 58 degrees above zero. Cloudy with northwest wind. For the corresponding hours one year ago the register was 55 and 58 degrees above zero.

Election of Officers.

The annual election of officers of Water Witch engine, No. 2, was held last evening, and the old officers were re-elected as follows:—

Foreman—George Bonway.

Hose Captain—J. F. Hutchinson.

Secretary—Levi Combs.

Treasurer—Levi Combs.

Virtuity of Greenfield.

It is not always innate or born with them, but many instances are known where it has been acquired by the persistent and judicious use of Dr. Hart's Iron Tonic.

CITY GOVERNMENT.

First Regular Meeting of the New Board of Aldermen.

Considerable New Business Dispatched.

The salary of the Clerk Fixed at \$900, and that of Street Commissioner at \$600 per Year.

The first regular meeting of the new board of aldermen was held last evening. His Honor, Mayor Winans, in the chair and all the aldermen present except Ald. Croft and Rooney.

The journal of the meetings held April 21st, 27th and 30th, read and approved. Pending the reading of the journal, Ald. Rooney took his seat.

The clerk presented the bonds and applications of Thomas Haucock, S. Beckwith and John Kanyon, for license, and the applications of Wm. M. Eldredge and C. D. Stevens for drugists' permits. Referred to the judiciary and license committee, and subsequently reported back favorably, and the same were granted.

The April report of the board of education, showing expenditures of the month at \$2,973.57, was referred to the committee on schools, found correct, approved, placed on file and ordered published.

The April statement of the judge of the municipal court was referred to the judiciary committee, found correct and placed on file.

The clerk read a large number of bills against the several funds. Referred to the finance committee.

Ald. McLean, of the fire department committee, stated that one thousand feet of hose, which the chief engineer had been authorized to procure, had arrived, and was now in service. He also called attention to the condition of the tower in the West side engine house, stating that it would be necessary to make some repairs in order to bring the tower in use for drying hose, and on his motion the fire committee was authorized to repair the tower.

Ald. McLean also stated that when the council vacated a portion of Dodge street on the petition of Phylor Norcross, that gentleman agreed to provide sufficient water at the foot of the street so vacated for the use of the fire engine, in case of fire. The fire department committee had spoken to him last fall in regard to the matter, but nothing had yet been done, and there was no protection for property in that locality.

Ald. Shearer moved that the fire department committee instruct the city engineer to prepare a suitable plan for supplying the fire engines with water at the foot of Dodge street.

Ald. McLean moved that the city attorney be instructed to confer with Mr. Norcross and see what arrangements could be made as to carrying out the latter's contract with the city. Adopted.

Ald. McLean, of the highway street and bridge committee, asked for further time to consider the petition for grading Division street between East Milwaukee and North First streets. Granted.

Ald. McLean stated that the old council appointed him a committee to repair the approach to the south end of the Mount Leary bridge, caused by the washout; that he had so far progressed with the work that the bridge was now safe for travel, and that the repairing had been stopped to allow the water to recede, that the work could be better accomplished.

On motion of Ald. Daly the fire department committee was instructed to replace the fence at the Central fire alarm, and remove the large tree at the approach to the eastern. Adopted.

Ald. Burdum moved that the salary of the city clerk be fixed at \$900 per year. Adopted.

Ald. Burdum, an order allowing John Martin \$900 on his contract for paving Milwaukee street bridge. Adopted.

On motion of Ald. Burdum the salary of the street commissioner was fixed at \$800 per year.

Ald. Burdum, an order authorizing orders for the monthly salary of the city employees. Adopted.

Ald. Judd, an order appropriating \$500 for park purposes. Adopted.

Ald. Fathers offered the following and moved its adoption:—

Ordered by the Mayor and common council of the city of Janesville: That the fire department committee and the chief engineer be and are hereby instructed to dispose of the horse and hook and ladder trucks now in use in the fire department, either by sale or in exchange, and purchase two four wheeled hose carriages, a hook and ladder truck, fully equipped, and two thousand feet of hose; and that five thousand dollars (\$5,000), or so much thereof as may be necessary, of the money received by the city for licenses to sell intoxicating liquors, is hereby appropriated for this purpose.

This order was a surprise to many Ald. Daly was not prepared to vote for the appropriation of so much money at this time, and desired an opportunity to consider so important a question.

Ald. McLean did not like the idea of giving the money from the license fund, as by so doing the men at work on the streets could not be paid their wages; and did not see the necessity of being in a hurry in ordering the carriage and truck. The No. 1 cart had just been repaired, and he thought it good for a time, at least. At any rate he desired time to consider the question.

Ald. Fathers said: Ignore the mayor's first recommendation in his inaugural. "That the wants of the fire department be generally supplied from time to time, that its continued efficiency may be assured."

Our present horse carts are what you might call break-a-half; the department breaks out here and there, and we certainly need two new horse carts.

I would recommend to the committee that they purchase carriages, for this reason—most all fire departments, where they have made any changes, have adopted four wheel carriages, and in my opinion they are the best, because they are so arranged that the horse is placed on an arch from axle to axle, and on springs; and in drawing it, if the wheels strike a rut, the springs give with the load, which makes it much easier for the horse. A two wheeled cart settles into the ruts and bounces a horse from side to side, and sometimes the load is

all on his back and sometimes underneath him, raising him from his feet.

Our hook and ladder truck must have extensive repairs before long, and it is not heavy enough to carry the necessary equipment for a city of this size. Why—the longest ladder we have is only 43 feet long, and very weak and flimsy and is dangerous for men with a load of hose to get on it, and were it strong enough, that length would not reach the roof of many of our business blocks. In case of fire in these large blocks, the hallways (the only way of access without good ladders), are filled almost immediately with dense smoke, thereby making it impossible to do any work in that direction.

This thing of working aloof in this manner with nothing to work with, has I think, gone about far enough. We have two good engines, and 2,500 feet of hose, and very efficient firemen, and that is all. We have no need to get our hose to the fire with safety; and no ladders to battle the fire with when we get there should it be in one of our large business blocks.

I resigned membership in the fire department to accept a seat in your honorable body. In working at fire I know from five years' experience, that we have worked to a great disadvantage, all because we did not have the apparatus to do the work with. Now, it is the duty of the common council to make it as easy as possible for the fireman. A great many have an idea that the firemen, when the bell rings, get their apparatus to the fire as quick as they can and put it out, and then take the apparatus back to the house, and that is the end of it. That is not so. There is double the hours spent in drying and reeling and changing the hose than there is in actual fire service. Many of the heavy tax payers, not knowing who is responsible for this inefficiency, blame the department, when it is not their fault. These same men wish the fire department to be placed on a better footing.

If the city should at any time see fit to have water works, all of this apparatus would be as absolutely necessary in the department as now.

In conclusion, your Honor, I would say that \$5,000 looks like a large appropriation, but it is not so, as you have everything to buy and you could dispose of that which we have for nothing. The horse carts would cost from \$500 to \$700 apiece. The hose \$1,700 to \$1,800, with discount for cash; that would leave about \$2,000 for a hook and ladder truck and equipments. This should and ought to be had in a city of this size. If the committee should come to the conclusion that the present truck can be repaired so as to be serviceable and efficient, why, then we should not need so large an appropriation.

No tax on the people, as shown in the resolution, is needed. It comes from the increase in select license and the fire department once put on a good footing will not need anything more for a long time to come.

On motion of Ald. McLean the order was deferred until the next meeting of the council.

Ald. McLean reported the bridge on North street, in Smith's addition, as having given way, and on his motion the street commissioner was instructed to repair the same when there was no lumber from the Milwaukee street bridge.

On motion adjourned.

A first class bakery at Dennison's.

A Gala Day in Beloit.

The new, white, ten of the Barr Robbins Consolidated Shows, were pitched for the opening of the season at Beloit yesterday and the imposing street parade which was witnessed by crowds of people, gave promise of a successful inauguration.

The bright, clear day added much to the pleasure of the occasion, and by two o'clock an audience of about two thousand had assembled and were quietly waiting for the grand entry. The waiting was not monotonous, for promptly on time the dressing room curtains were raised, and the gaily decorated cavalcade came in, presenting a brilliant appearance and promising a first class entertainment.

For two hours and a half the audience were delighted with a fine double ring equestrian performance as is often seen in any city.

The programme included bare-back riding by Mr. George Holland, John McMahon, Sig Marquis, and the Davenport boys, John and Albert; double trap, by Wm. Francis; the three-brothers act, by Willie La Beau, Charles Vanhook and James Romeo; the flying men, Melrose and Melrose; the French trio, Mons. Chauste, Mons. Lookford, Miss Lookford. This trio came directly from France and were engaged expressly by Mr. Robbins for this season; they are wonderful performers on the bar and high wire. Messrs. Stone and Lewis and Bert Stone excel in acrobats, while Mr. Wm. Ashton in his great dome somersault act was the acknowledged champion of a select company of tumblers and acrobats.

The Japanese Lotswame Band Madame Lotswame were very fine in their specialties, as were also Miss Van Amburg and Miss Te Vorre; Miss Kate Holloway in her equestrian act received marked applause. The trio of clowns consisting of Mr. John Davenport, Wm. Aymer and Sam Molina were full of fun.

The entire company is first class in every respect and by far the best and most expensive that has ever been employed by the Barr Robbins show. How Mr. Robbins can furnish so good an entertainment for 25 cents is one of the conundrums that the Colonel has not yet fully solved to his own satisfaction. That the people appreciate a low admission fee was fully demonstrated yesterday.

The menagerie proper, while not so extensive as some of the traveling aggregations, is composed of some twenty-five cages of choice specimens which will be enlarged during the next ten days.

Two large dining tents accommodate the entire company numbering some thing over two hundred, and the bill of fare furnished surpasses by far the average hotels of the country.

The route of the show is south and west for the next two weeks, and reports from the "Advance" indicate a successful season. Colonel Robbins' friends in the city will be pleased to hear of his prosperity.

P. W. L. Elrod, P. & E.

MILTON.

The funeral of Mrs. Dr. J. M. Saunders, whose remains were brought here for burial from her late home at Dodge Center, Minnesota, took place Saturday, at eleven o'clock a. m., at the S. D. B. church, the services were conducted by Rev. James Bailey, assisted by Rev. E. M. Dunn and President W. C. Whitford. The music was furnished by a quartet composed of Miss Gertrude Smith, Mrs. W. P. Clark, Miss J. A. Sullivan and Mr. E. B. Clark. The burial took place at the residence of the deceased.

E. A. Oatling, of Kearney, Nebraska visited his parents last week. He reports that the Milton people living there are in good health and a fair degree of prosperity.

President Whitford delivered his lecture on the New Orleans exposition at the S. D. B. church Thursday evening.

A card bearing the following inscription was placed in the S. D. B. church:—Beloit, Wis.—married at the residence of the bride's parents, Beloit, Wis., Tuesday evening, April 29th, 1885, at 8 o'clock. At home after May 10th, Ottawa, Kansas. Together with other Milton friends we send our warmest wishes and hearty congratulations.

The ladies of the Milton Relief Corps G. A. R. were visited last Wednesday by a delegation from the Janesville Relief Corps comprised of Mesdames, Van Buren, Lane, Barry, Wiley, Fenton and Miss Willis.

Mrs. E. R. Paul and her daughter, Allie, have returned to Evanston.

Rev. S. M. Dunn went out to Palmyra Tuesday to carry a corpse.

Mrs. Bentley, of Milwaukee, has been the guest of Mr. and Mrs. J. O. Lane.

Mrs. J. N. Burns, of Chicago, has been visiting her sister, Mrs. O. B. Hall.

Miss Alice Stevens, who has been visiting her sister, Mrs. J. M. Green, for weeks, returned to her home at Boone, Iowa, last Wednesday.

Miss Allie Ewing, Walworth, has been visiting Mrs. Nina Orent.

The winter cold witness in this country is still with us.

E. P. Clarke has moved his office into the rooms over the Bank of Milton.

Bert Richardson is going to build himself a habitation this summer.

Col. H. H. Hurdick painted Rob. McCabbin's house, north of the village, last week, with Heath and Lilligan's best mixed.

"Bud" Richardson, son of R. Richardson, narrowly escaped a dangerous injury Saturday afternoon. When "Bud" was on the highway crossing between Cary and Hall's, he was knocked down by a horse, driven by H. L. Duhle and two wheels of the buggy ran across his body above the hips. His right arm, which was in the wheel, fortunately he was not badly injured, and will be all right in a day or two.

The new bell for the S. D. B. church in Evanston, and ready to run the wheel, is under the wheel. Fortunately he was not badly injured, and will be all right in a day or two.

The annual meeting of the S. D. B. Relief Corps was held last Sunday evening. Exercise were presented by representatives from each class and others connected with the school, and officers elected for the coming year.

James and Amy scolding, but the time for quarreling came far in the future these cold mornings.

A. S. Danham left for Durand, Ill., Monday morning, to begin his labors for the Minneapolis lumber company.

John Lindberg, of Madison, visited Milton relatives Saturday and Sunday. The Odd Fellows here were glad to meet him, as he is the grand master of the state.

You will find all medicines advertised in this paper at Premier & Evanson's, opposite postoffice, Janesville. Medicines not in liquid form sent by mail. Prescriptions and receipts prepared from pure and fresh drugs cheaper than at any other reliable drugstore in the country.

Edward's Balm's Life is sold by Palmer & Stevens. Trial bottle free.

CODE FOR THE CONCERTS.

Rules for the Government of Those Who Love Opera and Oratorio.

A young man has kindly furnished the Paris public the following code for the government of the listener's actions at concerts. Paste them in your hat and take as directed:

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"

Beckon—Bow your head, say nothing (except you desire to be considered a fool). In an extreme case you may say, with bated breath: "Gentlemen! Gentlemen! Pray collect yourselves! Sit down! Sit down! Sit down!"
